Dear Judges Guadagni and Tisher:

My apologies for the lateness of this response from the Napa Valley Unified School District in regard to the recommendation by the 2007-2008 Napa County Grand Jury that C.E.R.T. training be implemented in Napa County high schools and middle schools (Napa County OES – Recommendation No. 1). I am pleased to provide the following updated information.

The Napa County Office of Education in coordination with all Napa County school districts, successfully applied for and received a Readiness and Emergency Management for Schools (REMS) grant from the federal government effective July 1, 2008. Partial funding from this grant will be used to begin the implementation of a *Teen-C.E.R.T.* training in the schools. Neal O’Haire, who was instrumental in the development of the adult C.E.R.T. training in Napa County, has been hired by the Napa County Office of Education to coordinate the program and help develop a sustainability plan to keep the program active beyond the 18 month life cycle of the grant.

I’d like to thank the Grand Jury for their continued support.

Sincerely,

Lynn Carlisle
