These rules are adopted pursuant to Code of Civil Procedure section 575.1. Any party or counsel for a party failing to abide by these rules may be sanctioned upon motion of any party or counsel for a party or on the court’s own motion as set forth in Code of Civil Procedure section 575.2.

(Effective 7/1/02)

No drop box filing is allowed.

By 3:00 p.m. each court day (by 1:00 p.m. if the court day is an early closure Friday), a Family Law Ex Parte Status Information page will be posted on the court's website at <http://www.napa.courts.ca.gov> indicating as to each matter filed by 10:00 a.m. that day, whether a decision has been made on the papers, or whether the matter will be placed on calendar for clarifying questions at 11:30 a.m. the following court day.

Orders will be available for pick up from the civil division by 3:00 p.m. the day orders are issued (by 1:00 p.m. for orders issued on early closure Fridays).

- D. Unavailability or Disqualification.** If the judge to whom an application should be presented under this rule is unavailable (i.e., not physically present) or is disqualified, or in cases of emergency, the application may be presented to any available judge of the court.

(Effective 7/1/02; revised 7/1/03; revised 7/1/05; revised 1/1/06; revised and relettered 7/1/06; revised 1/1/07; revised and renumbered 1/1/11)

2.8 Telephonic Appearances

- A. Program Overview.** The Napa Superior Court permits telephonic appearances as set forth in California Rules of Court, rules 3.670 and 5.324.

1. Preference may be given to cases with telephonic appearances.
2. Hearings are conducted in open court or in private as the court may designate. All attorneys or parties making telephonic appearances call a designated toll-free teleconference number a few minutes before the calendar is scheduled to check in with the clerk. Attorneys or parties remain on the court’s

speakerphone telephone line and hear the same business as those present in court. Attorneys or parties not participating telephonically appear in person. The court calls cases for hearing. All attorneys or parties on a case participate in the hearing. All present in the courtroom hear the discourse of those making telephonic appearances, unless the case is heard in private.

B. Appearance Procedure.

1. An attorney or party making a telephonic appearance must call the court's designated toll-free teleconference line approximately five (5) minutes prior to the scheduled hearing time and check in with the clerk. An attorney or party calling after the check-in period shall be considered late for the hearing and shall be treated by the court in the same manner as if the attorney or party had personally appeared late for the hearing.

2. An attorney or party appearing telephonically shall participate in the appearance with the same degree of courtesy and courtroom etiquette as is required for a personal appearance. A person appearing by telephone must not use the "hold" button, as it is not within the policy of the court to wait for an attorney or party to rejoin the line.

(Effective 7/1/02; revised 7/1/03; revised 7/1/06; revised 1/1/07; revised 7/1/08; renumbered 1/1/11; revised 7/1/14)

2.9 Tentative Ruling System

The court has adopted a tentative ruling system in civil law and motion and probate matters. Tentative rulings will be available no later than 3:00 p.m. on the court day before the scheduled hearing, and may be obtained on the court's website at <http://www.napa.courts.ca.gov>. Rulings may also be obtained by calling (707) 299-1270.

Oral argument on matters for which a tentative ruling has been posted will be permitted only if a party notifies all other parties and the court by 4:00 p.m. on the court day before the hearing that the party intends to appear and argue. Notice to the court shall be given by calling (707) 299-1270 (when recording begins, press "0"). If notice of intent to appear has not been given to all parties and to the court, no oral argument will be permitted and the tentative ruling will become the court's ruling. If no tentative ruling is posted on a particular matter, or if the tentative ruling indicates that an appearance is required, then the parties must appear at the hearing.

(Effective 7/1/02; revised 7/1/03; revised 1/1/07; revised 1/1/09; renumbered 1/1/11)

Each noticed motion or petition must include the following information, in bold type and placed in a conspicuous location on the notice, motion, or petition:

“The Napa Court uses a Tentative Ruling System. To receive the tentative ruling, visit the court’s website at <http://www.napa.courts.ca.gov> or telephone the court at (707) 299-1270 after 3:00 p.m. the court day before the scheduled hearing date. Unless the court directs otherwise, no oral argument will be permitted unless a party or counsel for a party requests a hearing by calling the court and all other parties or counsel no later than 4:00 p.m. the court day before the hearing.”

(Effective 7/1/13)

2.10 Facsimile Filing

The Napa Superior Court will accept agency fax filing of all documents except those specified in California Rules of Court, rule 2.300.

Direct filing of documents by fax to the Napa Superior Court is allowed on a case-by-case basis if deemed necessary and appropriate to expedite a matter and then only upon prior approval or by direction of a judicial officer. The telephone number for fax filings is (707) 253-4229 for civil filings, and (707) 253-4673 for criminal filings. The court does not allow direct fax filings of documents that require a fee, a signature of a judge, documents with multiple exhibits, or any document not permitted by law to be faxed. The submitting party is to retain the original of any faxed document, and shall provide it to the court only upon court order or request of opposing party.

A fax filing cover sheet is required and must contain the following information:

1. The judicial officer to whom the fax filing is directed.
2. The judicial officer who permitted a direct fax filing, if applicable, and the date and time of such authorization.

Fax filings must comply with all filing requirements otherwise listed in the State or Local Rules. Compliance with all rules and proper transmission of the documents are the responsibility of the sending party and/or the fax filing service.

(Effective 7/1/02; revised 1/1/07; renumbered 1/1/11)

2.11 Sealing of Juror Information

The addresses and telephone numbers of jurors may be sealed at the time the jurors are impaneled. Upon petition to the court, the information may be unsealed upon 20 days’ notice to any juror who

may be affected by a court order unsealing the information. Upon recording of the verdict in a criminal case, the court shall follow the procedure specified in Code of Civil Procedure section 237. (Effective 7/1/02; renumbered 1/1/11)

2.12 Courtroom Security

To ensure the security of the courthouses and courtrooms, no person, except those authorized to do so, shall enter any courthouse or courtroom carrying, or in possession of, any weapon or device as described in Penal Code section 171b, or any other thing that may reasonably be used as a weapon. “Weapon” includes any knife, even if less than four (4) inches in length. 2.13 Court Reporter Fees

Court reporter fees are due and payable at the beginning of the hearing or trial. “Beginning” is defined as the moment the matter is assigned to the trial court and the judicial official calls the action for hearing or trial.

Unless the court orders otherwise for good cause, a half-day fee shall be charged for any matter which lasts more than one (1) hour but not more than four (4) hours. A full day fee shall be charged for any matter lasting more than four (4) hours.

Court reporter fees are collectible in all matters other than criminal and juvenile matters.

Court Reporter fees for the estimated length of the hearing or trial must be deposited prior to hearing or trial in either the civil division, Historic Courthouse, 1st Floor, or in the criminal division, Criminal Courthouse, 1st Floor. For mailing, send to the Napa Superior Court, 825 Brown Street, or 1111 Third Street, Napa, CA 94559.

For any hearing estimated to last more than one (1) hour but not more than four (4) hours, each party shall deposit their pro-rata share of \$225.00, or for any hearing estimated to last more than four (4) hours, each party shall deposit their pro-rata of share \$450.00.

If, for whatever reason (fee waiver/governmental agency), one side is not required to post fees, the other side(s) shall still be responsible for its pro-rata share. Any delay in payment or deviation from above procedures shall immediately be referred to the trial judge for resolution.

Each attorney of record for a party to a dependency matter who has not been previously certified under these rules, and who believes that he or she meets the minimum standards of competency, shall, within ten (10) days of his or her first appearance in a dependency matter, complete and submit to the Court Executive Officer of the court a memorandum certifying that he or she meets the standards of competence as set forth in California Rules of Court, rule 5.660(d)(3).
- B.** Attorneys who meet the minimum standards of training and/or experience as set forth here and as confirmed by the memorandum of certification submitted to the court shall be deemed competent to practice before the juvenile court in dependency cases except as provided in subdivision C of this rule.
- C.** Notwithstanding the submission of a memorandum certifying that the attorney has met the minimum standards for training and/or experience, the court may determine, based on conduct or performance of counsel before the court in a dependency case, that a particular attorney does not meet minimum competency standards. In such a case, the court will proceed under rule 10.2(D).
- D.** The Court Executive Officer is responsible for maintaining and monitoring memoranda of certification for accuracy and compliance with renewal requirements and for maintaining a roster of attorneys who meet the requirements of this rule. Appointments may only be made from the most up-to-date roster. Attorneys must submit updated certification attesting to completion of continuing education as required by California Rules of Court, rule 5.660(d)(3).
- E.** In the case of an attorney who maintains his or her principal office outside of this county, proof of certification by the juvenile court of the California county in which the attorney maintains an office shall be sufficient evidence of competence to appear in a juvenile proceeding in this county.

10.2 Minimum Standards of Education and Training

- B. That attorney shall have 20 days from the date of the mailing of the notice to submit evidence of his or her completion of the required training or education.
- C. After initial certification by the court, attorneys shall submit a new certificate of competence to the court at least every three (3) years. The attorney shall attach to the renewal certificate of competence evidence that he or she has satisfied the continuing education requirements of California Rules of Court, rule 5.660(d)(3).
- D. If the attorney fails to submit the required evidence or fails to complete the required minimum hours of continuing training or education, or the court makes a finding under rule 10.1(C), the court must order, except in cases where a party is represented by retained counsel, that certified counsel be substituted for the attorney who fails to complete the required training. In the case of retained counsel, the court must notify the party that his or her counsel has failed to meet the minimum standards required by these rules. The determination whether to obtain substitute counsel shall be solely within the discretion of the party so notified, except for child's counsel, who may be removed by the court.

The meeting with the child should, unless impracticable due to distance from Napa, take place at the child's placement. The attorney for a child is also expected to contact the child's caretaker (if other than a parent) before each substantive hearing. Periodic review hearings are substantive.

- B.** Attorneys are expected to complete, file, and serve all necessary forms, including health questionnaire, ICWA, paternity, and waiver of rights (if appropriate), before, or the same day as, the jurisdictional hearing, and to promptly file and serve change of address and contact information for the client.

(Effective 7/1/02; revised and renumbered 1/1/12)

10.4 Caseload Standards

Every attorney appointed to represent children must take care to ensure that he or she can adequately and competently represent all of the attorney's clients in a manner consistent with the requirements of Welfare and Institutions Code section 317(c), California Rules of Court, rule 5.660, and these rules. Any attorney who is unable to meet these requirements because of the size of the attorney's caseload or the demands of a particular case or cases, must notify the juvenile court judge that the attorney is unable to accept any new cases. Further, said attorney must move to be relieved as attorney of record in any existing case in which the attorney cannot provide adequate and competent representation. If the court determines that the complaint presents reasonable cause to believe that the attorney may have failed to act competently or has violated local rules, the court shall notify the attorney in question of the complaint, shall provide the attorney with a copy of the complaint, and shall give the attorney 20 days from the date of the notice to respond to the complaint in writing.
- C.** After a response has been filed by the attorney or the time for submission of a response has passed, the court shall review the complaint and the response, if any, to determine whether the attorney acted contrary to local rules or has acted incompetently. The court may ask the complainant or the attorney for additional information prior to making a determination on the complaint.
- D.** If, after reviewing the complaint, the response, and any additional information, the court finds that the attorney acted contrary to the rules of the court, the court

may reprove the attorney, either privately or publicly, and may, in cases of willful or egregious violations of local rules, issue such reasonable monetary sanctions against the attorney as the court may deem appropriate.

- E.** If, after reviewing the complaint, the response, and any additional information, the court finds that the attorney acted incompetently, the court may order that the attorney practice under the supervision of a mentor attorney for a period of at least six (6) months, or that the attorney complete a specified number of hours of training or education in the area in which the attorney was found to have been incompetent, or both. In cases in which the attorney's conduct caused actual harm to his or her client, the court shall order that competent counsel be substituted for the attorney found to have been incompetent, and may, in the court's discretion, refer the matter to the State Bar of California for further action.
- F.** The court shall notify the attorney and the complaining party in writing of its determination of the complaint. If the court makes a finding under subdivision E or F, the attorney shall have ten (10) days after the date of the notice to request a hearing before the court concerning the court's proposed action. If the attorney does not request a hearing within that period of time, the court's determination shall become final.
- G.** If the attorney requests a hearing, the attorney shall serve a copy of the request on the complaining party. The hearing shall be held as soon as practicable after the attorney's request therefore, but in no case shall it be held more than 30 days after it has been requested except by stipulation of the parties. The complainant and the attorney shall each be given at least ten (10) days' notice of the hearing. The hearing may be held in chambers. The hearing shall not be open to the public. The court may designate a commissioner, referee, judge pro tempore, or any qualified member of the bar to act as hearing officer.
- H.** At the hearing, each party shall have the right to present arguments to the hearing officer with respect to the court's determination. Such arguments shall be based on the evidence before the court at the time the determination was made. No new evidence may be presented unless the party offering such evidence can show that it was not reasonably available to the party at the time the court made its initial determination with respect to the complaint. Within ten (10) days after the hearing, the court or hearing officer shall issue a written determination upholding, reversing, or amending the court's original determination. The hearing decision shall be the final determination of the court with respect to the matter. A copy of the hearing decision shall be provided to both the complainant and the attorney.

APPENDIX A

Locating A Qualified Private Child Custody Evaluator

The information provided in this document may be used to help parties find a private child custody evaluator who is qualified under the law to be appointed by the Napa Superior Court. A child custody evaluator appointed by the court assists the court in determining the health, safety, welfare, and best interests of children with regard to disputed custody and visitation issues. The court does not maintain a list of qualified private evaluators nor does it endorse, supervise, or monitor any particular child custody evaluator.

A private child custody evaluator can be one of four types of mental health professionals. These mental health professionals may be located by searching the Internet or telephone book, or by getting a referral from family, friends, or a family law attorney.

Websites that may be useful include: Napa-Solano Psychological Association www.napapsychologists.org; California Board of Behavioral Sciences www.bbs.ca.gov; California Board of Psychology www.psychboard.ca.gov; American Association for Marriage and Family Therapy www.aamft.org; California Association of Marriage and Family Therapists www.camft.org; American Psychological Association www.apa.org; and the American Psychiatric Association www.psych.org. Keep in mind that belonging to or being certified or licensed by a professional organization does not necessarily mean the individual is qualified under California law to act as a child custody evaluator in the family court.

The legal qualifications and responsibilities for a private child custody evaluator are extensive and are primarily set forth in the Family Code including sections 3110.5, 3111, 3118, 1815, and 1816. Also, see Evidence Code section 730, and California Rules of Court, rules 5.220, 5.225, and 5.230. You can access California statutes at www.leginfo.ca.gov, and California Rules of Court at www.courts.ca.gov/rules

It is the responsibility of the parties to ensure that a private child custody evaluator meets or exceeds the legal qualifications for a court-appointed evaluator and to verify his or her credentials. The court does not endorse, evaluate, supervise, or monitor private child custody evaluators nor does the court verify their legal qualifications or credentials.

The court does, however, require that all private child custody evaluators appointed by the court sign a Judicial Council “Declaration of Private Child Custody Evaluator Regarding Qualifications” under penalty of perjury, and file it with the court within ten days of the appointment, attesting to the fact that they meet all the licensing, education, training, and experience requirements mandated by California law. This form may be found at www.courts.ca.gov/forms.

The following is a summary of the legal requirements for an individual to be appointed by the court as a private child custody evaluator:

Licensing Requirements

A qualified private child custody evaluator must be licensed as: (1) a physician who is either a board certified psychiatrist or has completed a residency in psychiatry; (2) a psychologist; (3) a marriage and family therapist; (4) a clinical social worker; or (5) if there are no licensed or certified evaluators who are willing and available within a reasonable period of time to perform a child custody evaluation, the parties may stipulate, with court approval, to an unlicensed individual.

Education and Training Requirements

A private child custody evaluator must have completed 40 hours of education and training in 21 specific topics set forth in California Rules of Court, rule 5.225(d). This education and training must be completed after January 1, 2000, through an eligible provider by either (a) attending and participating in an approved course, or (b) serving as an instructor in an approved course. A child custody evaluator must also complete eight hours of annual update training under rule 5.225(h). All education and training must be completed through an eligible provider as described in rule 5.225(m).

Domestic Violence Training

In addition to the requirements described in rule 5.225(d), child custody evaluators must comply with the basic and advanced domestic violence training requirements described in California Rules of Court, rule 5.230, and Family Code section 1816. This includes 16 hours of advanced training within a 12-month period, which must include 12 hours of instruction in 16 categories described in the rule. Evaluators must also complete four hours of update training annually in specified areas of domestic violence described in the rule. All domestic violence training must be through eligible provider as set forth in rule 5.230(e) and Family Code section 1816.

Experience Requirements

Persons appointed as child custody evaluators must have participated in the completion of at least four partial or full court appointed child custody evaluations within the preceding three years, as described in rule 5.225(g). Each of the four child custody evaluations must have resulted in a written or oral report. There are specific experience requirements for pre-2009 evaluators and new requirements effective January 1, 2010, set forth in rule 5.255(g).
